

REMARKS

Applicant has amended the Claims and Specification to
remove reference to "center of gravity" of the putter head.
5 Applicant would like to draw to the attention of the
Examiner that the basis of this application, unlike others
in the prior art, is to have the golfer's eyes, the
transverse mark on the shaft, and the centerline of the
putter head which is over the desired area of putter to ball
10 impact area of said putter head, all in alignment.

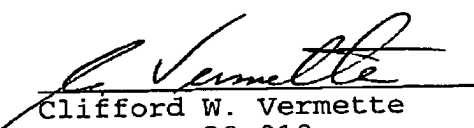

Favourable consideration of this application is
respectfully solicited.
